Tenure Track Position in the International Master of Public Health Health Systems Administration and Global Health Leadership program in the School of Public Health, University of Haifa

The School of Public Health (SPH) in the Faculty of Social Welfare & Health Sciences at the University of Haifa is pleased to solicit applications for an academic, half-time, open-rank, tenure-track faculty position in the International program, for the academic year beginning in October 2023 in the fields of health systems management and administration. Preference will be given to applicants with teaching experience in health systems administration and experience in the field of health economics or health systems administration research (either theoretical or practical).

Areas of responsibility include teaching in the School of Public Health, supervision of students for advanced degrees and active contribution to the SPH and the community. A main responsibility is to take part in the management and leadership of the International program.

The SPH website can be found at: http://publichealth.haifa.ac.il/index.php/he

Requirements:

- At least one of the following degrees: MD, MPH; MD, MHA; PhD; DrPH
- Research publications in peer-reviewed scientific journals
- Academic teaching experience
- Practical experience in the field of health systems administration
Applicants are request to submit the following by 01.05.2023:

- Detailed CV including a list of publications, teaching experience (according to the requested format at: [https://hw.haifa.ac.il/faculty-academic-staff-info](https://hw.haifa.ac.il/faculty-academic-staff-info), and names and contact information of three referees
- Up to three selected publications
- A description of the candidate’s potential contribution to the School of Public Health

Please send the above to Maria Liberzon, School administrator, at mliberzon@univ.haifa.ac.il

The academic rank will be determined according to the qualifications of the candidate.

Filling the position depends upon the academic and financial considerations of the University.

The job offer is conditional on the approval of the university rector

This call is for applicants of all genders and ethnic origin

The University is not obligated to choose one of the applicants
