Gruntzogologia

Dr. Michael Astekson
Misaacson@univ.haifa.ac.il

To the Honorable Guest:

The title of the presentation is "Gruntzogologia," which is written in Hebrew. The presentation seems to be about gerontology, focusing on topics such as universal design, care giving, and the use of technology to support the elderly. The content includes diagrams, tables, and figures, indicating a comprehensive approach to the subject. The presentation was given at the University of Haifa, Faculty of Social Welfare & Health Sciences, Department of Gerontology.
Boström, M., Kjellström, S., & Björklund, A. (2013). Older persons have ambivalent feelings about the use of monitoring technologies. *Technology and Disability*. 25(2) 117-125
