

Date: 18.10.2020

Name: Mor Saban

ID: 200835437

CURRICULUM VITAE

1. Personal Details

Permanent Home Address: Hapisga 16, Ganei Tikva, Israel

Telephone Number: 077-5002030

Office Telephone Number: 03-7731488

Cellular Phone: 050-2030191

Date and place of birth: 16.08.1989, Israel

Israel Email Address: morsab1608@gmail.com; mors@gertner.health.gov.il

2. Higher Education

a. Undergraduate and Graduate Studies

Period of Study	Name of Institution and Department	Degree
2010-2014	University of Haifa, Faculty of Social Welfare and Health Sciences- Department of nursing	BA (Cum Laude)
2014-2016 (Transfer to a direct PhD track in 2015)	University of Haifa, Faculty of Social Welfare and Health Sciences- Department of nursing	MA (Summa Cum Laude)
2014-2016	University of Haifa, Faculty of Social Welfare and Health Sciences- Public health school	MPH (Summa Cum Laude)
2017- 2019	Ben-Gurion University, Faculty of Health Sciences - Department of Emergency Medicine	MEM (Summa Cum Laude)
2015-2019	University of Haifa, Faculty of Social Welfare and Health Science- Department of nursing <u>Name of advisors:</u> Prof. Efrat Dagan and Prof. Anat Drach-Zahavy <u>Title of Thesis:</u> "Mindfulness and Quality of care in the Emergency department"	PHD (direct track)
2020-present	Ben-Gurion University Faculty of Health Sciences Department of Medical Science	Post-Doctorate

3. Scholarly Positions and Activities outside the University

Years	Employment History
2020-present	Director- Hospital waiting time measurement, Ministry of Health
2020-present	Research manager-'Implementation a national clinical decision support system for radiology'; Gertner institute for epidemiology and health policy research
2019-present	Clinical research advisor- CVAid company (telestroke based AI)
2018-2020	Researcher- Israel Center for Disease Control, Ministry of Health
2018-2020	Research manager- 'Development of a national indicator set, reflecting inequalities in health and health services'; Israeli national institute for health policy research
2016-2018	In charge of nursing research- Emergency Department in Rambam Health Care Campus, Haifa
2016-2018	CVA Coordinator- Emergency Department, Rambam Health Care Campus, Haifa
2015-2017	Writing items for the government nursing exam, Ministry of Health
2015-2018	Registered nurse- Emergency Department, Rambam Health Care Campus, Haifa
2014-2015	Registered nurse-Emergency Department, Carmel Medical Center, Haifa
2014-2015	Teaching assistant- Public Health School, Max Stern Academic College of Emek Yezreel

Years	Other activities at the University
2016-2018	E-learning development and support- Department of nursing, University of Haifa
2013-2018	Teaching and research assistant- Department of nursing, University of Haifa
2017-2019	Haifa Grad Team- Excellent PhD Students at the University of Haifa

Years	Memberships in Academic Professional Associations
2015-present	The Israeli nursing research association
2017-present	The Israeli Association of Emergency Medicine
2017-present	Israeli Nursing Honor Society at the University of Haifa

Years	Reviewing for Refereed Journal
2018	Cancer Medicine Journal
2018	Journal of Medicinal Research and Biological Studies
2018	International Journal of Clinical Cardiology
2018-present	Annals of Clinical Hypertension
2018-present	Applied Clinical Informatics
2019-present	International Journal of Critical Care and Emergency Medicine
2019-present	Journal of the European Academy of Dermatology and Venereology
2019-present	Journal of Emergency Nursing
2020-present	Emergency Medicine International
2020-present	Open Access Emergency Medicine
2020-present	Annals of case reports
2020-present	International emergency nursing
2020-present	International Journal of Health Policy and Management
2020-present	BMJ Open

4. Active Participation in Scholarly Conferences

a1. International Conferences - Held Abroad

Date	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
3.11.17	International Society of Nurses in Genetic-World congress	Reston-Virginia, USA	The importance of coronary heart disease family history for triage evaluation of patients with ST elevation myocardial infarction in the emergency department	Oral presentation
08-12.09.18	EUSEM 2018	Glasgow, UK	Door to CT: Stake the stroke	Oral presentation
			Are physician meeting triage time to evaluate? A retrospective analysis	Poster presentation
			Mortality as A Choice? Untold Stories from the Emergency Department	
22-25.09.19	The 10th Mediterranean Emergency Medicine Congress	Dubrovnik, Croatia	Actions speak louder: young female patients with acute ischemic stroke in the ED	Oral presentation
			Time from triage to initial physician assessment: A 5-year retrospective analysis	
			ED rush? World cup YES, Eurovision NO	
			Fast And Functional: A Dedicated Route In The ED Can Improve Neurological Function In Patients With Suspected Stroke	

a2. International Conferences - Held in Israel

Date	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
22-23.10.17	CAST 2017-The 2 nd International Meeting on Comprehensive Approaches in Stroke Treatment	Tel Aviv	Door to CT: Stake the stroke	Oral presentation

a3. Local Conferences

Date	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
18.11.2015	Evidence Based Practice in Social Welfare and Health Science	University of Haifa	No dissertation without evidence-based information: Tools for implementing evidence-based practice	Oral presentation

09.09.2016	The 9 th Israeli nursing research association	Hadassah Medical Center, Jerusalem	The impact of triage classification on adherence to clinical guidelines for patients with chest pain	Oral presentation
27.03.2017	The 21 th Israeli emergency medicine association	Dan panorama Hotel, Tel-Avia	Door to balloon in patient with myocardial infraction: Minding the gap	Poster presentation
08.05.2017	The 12 th Israeli national institute for health policy research	Intercontinental Hotel, Tel-Aviv	Shortening the door to balloon time in patient with myocardial infraction	Poster presentation
21.06.2017	Quality and Transparency in Health Care system	Dan panorama Hotel, Tel-Aviv	Time for PCI in patient with myocardial infraction	Poster presentation
22.11.2017	The 24 th Israeli Society for Quality in Medicine	Intercontinental Hotel, Tel-Aviv	Round off decision-making: Why do triage nurses tend to categorize to the average patient with STEMI?	Oral presentation
			Triage goals: Should they be improved?	Poster presentation-1 st place winner for the best poster
			Shortening the waiting time for diagnosis and treatment in stroke patients	Poster presentation-3 rd place winner for the best poster
			Door to balloon in patient with myocardial infraction: Minding the gap	Poster presentation
07.12.2017	The 14 th Annual Research Day	Rambam Health Care Campus, Haifa	Door to CT: Stake the stroke	Oral presentation
13.12.2017	The 1 st Israeli nursing research association	Intercontinental Hotel, Tel-Aviv	Triage goals: Should they be improved?	Poster presentation
16.01.2018	The 5 th International Conference on Preparedness & Response to Emergency & Disasters (IPRED)	Intercontinental Hotel, Tel-Aviv	Triage goals: Should they be improved?	Poster presentation
13.03.2018	The 22 th Israeli emergency medicine association	Intercontinental Hotel, Tel-Aviv	Mortality as a choice? Untold stories from the emergency department	Oral presentation
			Are physician meeting triage time to evaluate? A retrospective analysis	Oral presentation
09.05.2018	The 13 th Israeli national institute for health policy research	Intercontinental Hotel, Tel-Aviv	ED mortality: fair and square	Oral presentation
			Choosing wisely in the ED: the imaging & consultant 'fee'	Poster presentation
14.11.2018	The 25 th Israeli	Intercontinent	ED mortality: fair and square	Poster

	Society for Quality in Medicine	al Hotel, Tel-Aviv	Choosing wisely in the ED: the imaging & consultant 'fee'	presentation
12.12.2018	The 15 th Israeli nursing research association	Hillel Yaffe medical center	Mortality as a choice? Untold stories from the emergency department	Oral presentation
			Choosing wisely in the ED: The diagnostic cascade of needless medical testing in a two-level study	Poster presentation- 1 st place winner for the best poster
			ED rush? World cup YES, Eurovision NO	Poster presentation
			Fast and functional: A dedicated route in the ED can improve neurological function in patients with suspected stroke	Poster presentation
26.03.2019	The 23 th Israeli emergency medicine association	Intercontinental Hotel, Tel-Aviv	Fast and functional: A dedicated route in the ED can improve neurological function in patients with suspected stroke	Oral presentation
			ED rush? World cup YES, Eurovision NO	Poster presentation
			Mortality as a choice? Untold stories from the emergency department	
			Choosing wisely in the ED : The diagnostic cascade of needless medical testing in a two-level study	
			Mortality as a choice? Untold stories from the emergency department	
03.06.2019	Public Health- One Health	Kfar Maccabiah, Ramat-Gan	Continued Glycemic Control in Diabetes Patients – Data from the Israeli National Diabetes Registry (INDR)	Poster presentation
17.09.2019	The 7 th International Jerusalem Conference on Health Policy	ICC Jerusalem Conference Center	Continued Glycemic Control in Diabetes Patients – Data from the Israeli National Diabetes Registry (INDR)	Poster presentation
28.11.2019	Integrated researches - Faculty of welfare & health Sciences and Rambam health care campus	Haifa University	The relationship between mindfulness & accurate triage and quality of care in stroke patients in the emergency department	Poster presentation
04.12.2019	The 16 th Israeli nursing research association	Ben-Gurion University	Continuity of care from the community to the emergency department: The relationship between characteristics of patients, patients' perceptions of their interpersonal primary care and referral type	Poster presentation 1 st place winner for the best poster

5. Invited Lectures (Others than in Scholarly Conferences)

Abroad- None

In Israel

Year	Name of Forum	Place of Lecture	Subject of Lecture	Role
16.11.2017	Promoting nursing research	The Baruch Padeh Medical Center, Poriya	'Time-Out' intervention to improve triage accuracy, quality of care and patient experience in the Emergency Department	Invited Lectures
18.03.2018	Nurse Education in the Digital Age	Tel-Aviv university	Using e-learning technologies to create experiential learning in nursing	Invited Lectures

6. Colloquium Talks

Year	Name of Forum	Place of Lecture	Presentation
2017	Patient centered care	Rambam Health Care Campus, Haifa	'Time-Out' intervention to improve quality of care and patient experience in the Emergency Department
2017	Triage in The Emergency Department: Theory and practice	Rambam Health Care Campus, Haifa	The importance of Accurate triage: clinical discussion as a test case
2018	Development and training nursing team	Rambam Health Care Campus, Haifa	Development academic writing

7. Research Grants

a. Submission of Research Proposals – Pending

Role in Research	Other Researchers (Name & Role)	Title	Funded by (C= Competitive Fund)	Years
CO-PI	Dr. Osnat luxenburg-PI Dr. Rachel Wilf-Miron-PI Professor Yair goldberg -CO-PI Miss Arnona ziv-CO-PI	No-show appointments in community-based specialist care: Predictive factors and implications for healthcare utilization	The Israel National Institute For Health Policy Research	2020-2023

	Dr. Vicki Myers -CO-PI Gamliel			
--	--------------------------------	--	--	--

8. Scholarships, Awards and Prizes

Year	Awarded by	Purpose	Sum
2018	The 15 th Israeli nursing research association	1 st place winner for the best poster	1500 shekels
2018	Spencer Educational Foundation Scholarship	PhD research	4000 shekels
2018	University of Haifa and Rambam health care campus	Wide attentional breadth or adherence to protocol? The relationship between cognitive styles & accurate triage and quality of care in stroke patients in the emergency department	10,000 shekels
2018	Reboot. Forum	Supporting HealthCare with Innovation 'ED smart-lean'	20,000 Shekels *1 rd place winner for the best innovation in the public sector
2017	The UJA- Federation of New York Selim and Rachel Benin Scholarship	PhD research	1000\$
2017	Nursing Research Institute, University of Haifa	PhD research	1000\$
2016	Maof Scholarship, Rambam Health Care Campus	PhD research	2000\$
2013-2014	University of Haifa	BA Academic excellence	1000\$
2013-2014	The Spanish Jewish Community in Haifa	BA Academic excellence	2000\$
2014	The Rotary Foundation	BA Academic excellence	1000\$

9. Teaching

a. Courses Taught in Recent Years

Years	Name of Course	Type of Course Lecture/Seminar/ Workshop/ Online Course/ Introduction Course (Mandatory)	Level	Number of Students
2015-2018	Clinical decision making	Lecture	BA- Third year	30
2019-present	Trauma and Emergency Medicine	Lecture	BA- Third year	225
